

Gas engine service engineer – Edinburgh area

As part of our continued national expansion programme, we are currently recruiting for an experienced gas engine service engineer to cover the Edinburgh area (North of England and South of Scotland).

Expertise with Jenbacher, MAN, MWM and CAT CHP engines is preferable. More than five years' experience and the ability to travel/provide call-out cover is essential. Good package offered.

For more information, contact **Dan.Walters@cooperostlund.com**.
